those who hunger for greater intimacy with God. The Soul at Rest is a 40-day guided experience of prayer that puts readers in the presence of God and allows them to enter and enjoy his rest. It guides readers into a rhythm of quiet, contemplative prayer, easing them into God's presence and demonstrating how prayer is not so much a duty as it is a gift. By the time someone finishes The Soul at Rest, they'll not only understand prayer better; they'll be engaging in it as a regular rhythm of life.

Only by Prayer: When God Breaks Through

God can break through without your prayers... but then again, a breakthrough may not come until you pray, in more than a superficial way. What if God is waiting for you to come to Him in dependent prayer and ask for His help before He brings a much-needed breakthrough your way? Jesus' disciples learned that lesson the hard way. After an embarrassing failure that left them baffled, the Lord frankly told them the hoped-for miracle would come only by prayer. Could you, a friend, or your church be in the same situation? In need of a God-sized breakthrough? One that God is waiting to make happen... but only by prayer. Jesus' disciples learned that lesson the hard way. This is the story of how I chose to make "it"—a greater purpose than mine—happen, and how you can too. Make It Happen is for women who find themselves worried, anxious, and completely overwhelmed by the constant chase for perfection those seeking the courage to jump into a new venture working women who are struggling to "do it all" weary wives and moms looking for relief from burning the candle at both ends anyone who dreams of a life lived not by accident, but on purpose Your time has come to take a leap of faith. Join me as we surrender our fears, end the chase for perfection, and say yes to cultivating the meaningful lives God desires for us. You know all those things you've always wanted to do? You should go do them.

Meeting Christ in Prayer

Brendal Bass Davis is in spirit-to-Spirit conversations with God, continually. As appropriate, she is comfortable with one-word prayers (Jesus!), the three-word prayer her grandmother, Helen, taught (Lord have mercy), and longer prayers inspired by the Holy Spirit. Through this devotional journal, she desires to inspire others to develop and grow their prayer lives comfortably. Spending time alone with God in two-way conversations is empowering, peaceful, and it brings joy. Prayer produces faith over fear, and Brendal is not quiet about it. This journal presents a simple process for building a strong relationship with God. It involves reading (the Word), praying (the Word), listening (to God), and journaling (what God breathes in your spirit). Journaling is a way of recording your historical journey with God and man, and it serves as a reference for you, your children, and others in your circle of life in the years to come.

I Will Not Be Quiet About It

Many questions about this book can be answered by looking at its title: \"Retreats in Everyday Life - A Handbook for a Month of Individually Guided Prayer\". As you may guess, the book is a handbook for those planning to lead a Month of Individually Guided Prayer. If this prompts the question: \"What is a Month of Individually Guided Prayer?\" The answer can also be found in the title - it is a Retreat in Everyday Life. Oddly, most definitions of the word 'retreat' are concerned with withdrawals. Bishop Graham Chadwick tells us that this seems strange, because retreats in the spiritual context are so often about life changing advances. But what at first seems to be a contraction isn't one. Spiritual retreats do tend to involve a withdrawal, but a withdrawal from the normal activities of life in order to embark on a course of prayer, meditation or study. It is hoped that withdrawals such as this will, in time, produce advances in an individual's personal or spiritual development. So retreats are concerned with withdrawal in the way that they tend to involve stepping outside of your normal life and routine and spending an extended period of time in reflection or solitude. A month of individually guided prayer reflects the fact that most people find it difficult, if not impossible, to set aside large chunks of time and money to go away on a long retreat. We have busy schedules at work and many commitments in our family lives. So as much as we'd like to make the time for a retreat we just don't seem to have the space. This is where the month of individually guided prayer comes in. Rather than it being necessary for people to go somewhere else, it is a retreat in daily life and happens within their everyday context. Rather than involving three, or thirty three, days away from home these month long retreats are based around the idea of spending a small amount of time every day in prayer and personal reflection whilst still being fully committed to their everyday lives. This handbook is intended for those who are hoping to run a month of individually guided prayer and is not necessarily intended for individuals hoping to embark on a retreat in their own lives. The material in the handbook is divided into five sections. Section One provides an introduction to the dynamics of a month of individually guided prayer (MIGP). Section Two contains advice about planning an MIGP. The section provides details about when those leading the retreat should meet and the shape and timing of retreat sessions themselves. Section Three includes the material that makes up the retreatant's folder at the start of the retreat in daily life. Section Four consists of material that is added to the retreatant's folder at the end of the MIGP. Section Five presents a collection of non-scriptural material that has been found to be useful for prayer and meditation during retreats.

Servanthood is something to which all believers are called, not just those in full-time ministry. This means that understanding what servanthood means is vital for the health and well-being of local churches. Every member needs to appreciate their role as a servant of God. At the same time, the principles of servant leadership provide an essential framework for those called specifically to the work of the church, whether at home or overseas. Servant Ministry offers a practical exposition of the first 'Servant Song' in Isaiah (42:1-9). Writing from many years of Christian teaching and mentoring, Tony Horsfall applies insights drawn from the Isaiah passage to topics such as the motivation for service and the call to serve; valid expressions of servanthood and the link between evangelism and social action; character formation and what it means to be a servant; how to keep going over the long haul in the harsh realities of ministry; the importance of listening to God on a daily basis and also over a whole lifetime.
